

Mystery Academy at Clemens Crossing!

Sponsored by Clemens Crossing PTA

Mystery Academy passes on the traditional art of MAGIC in a time honored way: directly from teacher to student. Students will learn all of the fascinating aspects of magic including: cards tricks, coins tricks, rope escapes, sleight of hand, mentalism, and dramatic presentation. Magic is an excellent way to teach children the importance of consistent practice, and to effectively present ideas before others. Sign up today, but no later than Wednesday January 7th!
